

Hertz #1 Club Gold®

As a member of Hertz #1 Club Gold, you don't wait in line and you don't need to sign a rental agreement upon pick-up. Instead, you save time by proceeding directly to your car which is under a weather-protected canopy at most major airports.

American Medical Response travelers can access a fee-waived Gold application and instantly receive their #1 CLUB GOLD Number by following these directions:

- **<http://www2.hertz.com/goldcorp>**
- **Enter Company Name: American Medical Response**
- **Enter CDP #: 347606**
- **Enter Promotion Code: 710**
- **Fill out the fields and click accept**

Your #1 Club Gold number will be returned to you instantly. Be sure to add the Gold number to your travel profile.

Please note: All new Gold members are required to stop at the Gold booth/counter to show their driver's license and credit card for their first rental.

If you should have any questions you can reach our Hertz representative Lesley Pownall via email at lpownall@hertz.com or by phone at 440-260-1900 x12.
